

Easement Acknowledge Form

By signing this document, I/we, as the owner(s) of the property at _____ acknowledge that we are aware that the proposed fence or structure, permit # (_____) encroaches within the boundaries of a recorded easement, as shown on PB ____ PG _____.

Despite the fact that Orange County may issue a permit for the fence or structure, I/we understand and agree that the existence of the recorded easement may affect my/our ability to maintain or keep this fence or structure in this location in the future. I/we understand and agree that if an entity or party that is benefitted by the easement requests or requires removal or relocation of the fence or structure, it is my/our sole responsibility to remove or relocate the fence or structure at my/our sole expense. I/we also understand and agree that we will not damage any facilities or that may be located within the recorded easement, including underground, and that I/we are solely responsible for the costs of any damages to any such facilities.

Furthermore, I/we acknowledge and agree that before installing the proposed fence or structure it is my/our responsibility to review applicable deed restrictions and/or consult with the Homeowners Association or Architectural Review Board, if applicable, to make sure that the fence or structure will not violate any deed restrictions or Homeowners Association rules or regulations.
